

Weekly Plan (Week - 1)

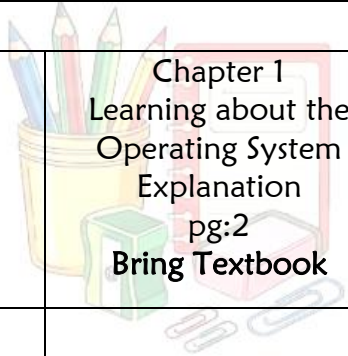

Grade: 3

Date – From:06-09-2026

To: 10-06-2026

Day→Subject↓		Sunday	Monday	Tuesday	Wednesday	Thursday
English	Classwork	Welcome back Activity Bring notebook	Student book Unit-1 Home and School Pg no. 10,11 Bring textbook	Student book Unit-1 Abdullah's Morning Pg no. 12 to 13 Reading and Explanation Bring textbook	Student book Unit-1 Abdullah's Morning Pg no. 14,15 Bring textbook	Student book Unit-1 <i>The Butterfly</i> Pg no. 16 -17 Reading and Explanation Bring textbook
	Homework	-		Read Pg no. 12,13	-	Read Pg no.16
Activity/Project		SUNDAY: WELCOME BACK ACTIVITY (BRING GLUE & COLOUR PENCILS)				
Math	Classwork	Welcome back activity + Oxford Primary Mathematics Textbook Ch 1: Numbers to 1000 Introduction (PPT) (Pg:1-3) Bring Textbook 3	Oxford Primary Mathematics Ch 1.1 Counting to 10000 Exercise - Pg:4-5 (ppt) Bring Textbook 3	Oxford Primary Mathematics Workbook Ch: 1.1 Counting to 10,000 (Cont.) Workbook-3A Pg:1,2 Bring Workbook 3A	Oxford Primary Mathematics Textbook Ch:1.2 Place Value Activity Bring Textbook 3, and notebook	Oxford primary Mathematics workbook Ch:1.2 Place value Textbook: Pg:6-8 Workbook: Pg:3 Bring Textbook 3, Workbook 3A, and notebook
	Homework	-	-	-	-	Workbook: pg. 4, 5
Activity/Project		WEDNESDAY ACTIVITY: PLACE VALUE CARDS WITH COLOURED PAPER/HIGHLIGHTERS.				

Science	Classwork	Back to school activity Bring scissors, glue and color pencil for activity	Unit 1 : Light and Dark 1.1 - Where does light come from ? Introduction Keywords PPT <u>Books to bring :</u> Science Student book Science notebook	Unit 1 : Light and Dark 1.1 - Where does light come from ? Classroom hunt for lights Sorting out natural and artificial lights <u>Books to bring :</u> Science notebook Bring scissors and colour pencil	Unit 1 : Light and Dark 1.2 - Is a mirror a source of light ? Explanation Keywords <u>Books to bring :</u> Science notebook <u>Activity:</u> Torch and mirror reflection Light refraction - watch the image flip <u>Materials needed :</u> A handheld mirror or make up mirror or any small mirror and a small torch or flashlight or any beam of light source	Unit 1 : Light and Dark 1.2 - Is a mirror a source of light ? STEM: Investigating if ll shiny objects are a source of light ? <u>Books to bring:</u> Science notebook <u>Activity:</u> Preparing a handheld mirror using Foil paper to see if it will produce light Bring coloured pencil and glue stick Bring Science workbook for correction
	Homework	-	Look around your house and check where the indoor lights are coming from?	-	Workbook Page no: 16	Workbook Page no: 19
Activity/Project		WEDNESDAY AND THURSDAY: LIGHT MAKES THE IMAGE FLIP ACTIVITY, PREPARING A HANDHELD MIRROR WITH FOIL PAPER				
Geography	Classwork	-	Unit 1 : Life in a village Introduction 1.1 : Maps	Unit 1 : Life in a village 1.1 : Maps pg:4 Reading and Explanation	-	Unit 1 : Life in a village 1.1 : Maps pg: 5 Reading and Explanation

						Activity: Making a simple classroom map using symbols and key
	Homework	-	-	-	-	-
Activity/Project		THURSDAY ACTIVITY: MAKING A SIMPLE CLASSROOM MAP USING SYMBOLS AND KEY				
Computer	Classwork	Back to school activity Bring notebook	Chapter 1 Learning about the Operating System Introduction Bring Textbook	Chapter 1 Learning about the Operating System Explanation pg: 1 Bring Textbook	Computer Lab Bring Textbook	 Chapter 1 Learning about the Operating System Explanation pg:2 Bring Textbook
	Homework		-	-	-	
Activity/Project
